

Launching the DML-CZ Czech Digital Mathematics Library

Praha, June 10–12, 2008

Schedule

Tuesday, June 10

- 18.00 Guest House, Dlouhá 17
Informal meeting of participants
Discussion with A. Laptev, President of the European Mathematical Society

Wednesday, June 11

- 9.30–11.00 Academy of Sciences, Národní 3
Press conference and presentation of the DML-CZ to the public
- 13.30–18.30 Charles University, Malostranské nám. 25
Workshop
- 19.00 Charles University, Malostranské nám. 25
Banquet

Thursday, June 12

- 9.00–13.00 Charles University, Malostranské nám. 25
Workshop

Programme of the workshop

Wednesday, June 11

- 13.30 Jiří Rákosník, Petr Sojka: *From pixels and minds to the mathematical knowledge in digital library*
- 14.15 Martin Lhoták: *Scanning and adjusting the images*
- 14.45 Jiří Veselý: *Metadata and their sources*
- 15.15 Miroslav Bartošek: *Metadata editor*
- 15.45 Coffee break
- 16.15 Vlastimil Krejčíř: *The digital library DML-CZ*
- 16.45 Radim Řehůřek: *Similarity of mathematical texts*
- 17.15 Petr Sojka: *An automated processing of journal articles for a digital library*
- 17.45 Thierry Bouche: *A vision for the near-future Digital Mathematics Library*
- 18.30 Discussion
- 19.00 Banquet

Thursday, June 12

- 9.00 Bernd Wegner: *About the RusDML*
- 9.30 Enrique Macías-Virgós: *Digitization projects in Spain*
- 10.00 Ulf Rehmann: *The digitization of the ICM Proceedings*
- 10.30 Olga Chiarcos: *Springer digital library and related activities*
- 11.00 Coffee break
- 11.30 Katarzyna Zamlynska: *Towards the best repository – migration of the Polish Virtual Library to Yadda platform*
- 12.00 Milena Dobрева: *The DML and digital preservation – interoperability over time for mathematical resources*
- 12.30 Thomas Fischer: *Integrating OAI metadata: Experiences and challenges*
- 13.00 Conclusion
